Description

Men's shoes of the brand Moon Boot. Winter boots will attract attention with a trendy design. Winter footwear especially attracts men who prefer a minimalist look. Shoes for men have a higher cut, which ensures better protection against the cold and a higher level of stability. Men's winter boots have classic lacing.

The upper part of the branded shoes is made of suede leather. The strong point of stylish winter boots is the waterproof membrane. Sealed seams are a plus. The polyester lining ensures warmth and super comfort. The rubber sole is durable and non-slip. Brown Moon Boot shoes are great companions for casual wear, to work, to the city and on winter vacations.

The manufacturer does not recommend the use of impregnations, which may damage the surface material.
