Description

Women's leggings brand 4F. Trendy leggings appeal with excellent functional properties. Functional leggings perfectly wick away moisture and at the same time dry quickly. Leggings for ladies are a guarantee of support during exercise. You can easily combine women's t-shirts and tank tops in different color variations with modern leggings.

Leggings in 7/8 length are a must-have piece of clothing that cannot be missing in the wardrobe of an active and sporty woman. The elastic material perfectly adapts to the figure and beautifully copies female curves. At the same time, it is a guarantee of excellent mobility. The wide waist is a support during exercise. The advantage is the strategically placed panels made of semi-transparent mesh, which ensure excellent air circulation. Black leggings are a great choice for various exercises, sports and active leisure time.

Product details:
