Description

Women's sweatshirt brand 4F. Women's hooded sweatshirt is suitable for training or running. The sports sweatshirt closes with a zip. The sweatshirt with a zipper is made of elastic and quick-drying material with 4FDry technology. You will feel comfortable throughout your training. You should definitely not miss a stylish sweatshirt in a trendy color!

The 4F sweatshirt for ladies has 3 laser-cut ventilation holes with a reflective effect on the back. Additional ventilation holes are located in the armpits, they are perforated panels guaranteeing proper air circulation. Raglan sleeves ensure unlimited freedom of movement. The workout sweatshirt has cuffs with thumb holes that keep the sleeves in the desired position during your running training or exercise. The training sweatshirt has two side pockets with a zipper covered in the seam and two inner pockets. The branded sweatshirt for ladies has a YKK main zip which is covered with an internal windproof placket, the upper end of the zip is covered with a chin protection fabric.
