Description

Trampoline brand Spokey. This Jumper Mini folding trampoline is a suitable alternative to large garden trampolines. The jumping trampoline is suitable not only for children, but also for adults. Thanks to the high-quality steel construction, the trampoline is safe and stable even during very intensive training. The trampoline for the whole family meets all standards of quality and safe use, and with a diameter of 120 cm, it has a string large enough for jumping.

The trampoline has an adjustable handle, so it adapts perfectly to you. It can be adjusted in the range of 120-140 cm and thus helps maintain balance during exercise. The durable and sprung string ensures a safe and dynamic bounce. This trampoline for exercise is quiet even during more intense exercise thanks to the tightly tensioned and durable ropes.

Exercising on a trampoline has a positive effect on your health, correct posture, muscle strengthening and overall fitness. The jumping trampoline is suitable for exercising at home, in the gym or outdoors.
