Description

Anta women's sweatshirt. The trendy sweatshirt impresses with its very nice pastel green color. The modern sweatshirt is designed in a minimalist design. On the shoulders, it has an indented material that adds a twist to the sweatshirt for ladies. You can easily combine the stylish sweatshirt with jeans or trousers.

The stylish sweatshirt contains a high proportion of cotton. This makes it soft and very comfortable. At the same time, it is pleasant to the touch. The branded sweatshirt also has a practical hood, which comes in handy in dry weather. Two side pockets are used to store small items. The green sweatshirt is a great choice for everyday wear, for work, in the city, for shopping and leisure.
