Description

Boys' jacket from the brand Authority Kids. The ski jacket surprises with its excellent functionality. The boy's windbreaker has high water resistance and breathability. The windbreaker for skiing also impresses with a very nice design of colored stripes. Of course, there is a practical hood that protects against cold, wind and frost.

The advantage of the ski windbreaker is the taped seams. There are also easily adjustable Velcro cuffs and inner elastic cuffs with a thumb hole. Two side pockets keep your hands warm. A small pocket on the sleeve of a ski jacket is ideal for a ski pass. The functional jacket has a snow belt that prevents snow from penetrating inside. The colorful windbreaker is a great choice for skiing, sledding and playing in the snow.
