Suggested retail price: 34.99 € s DPH**Description**

Junior footwear of the brand Authority. Children's boots in a nice pink-red version and a sporty design. Stylish boots for children have classic laces. The sneakers have a light construction, so your children will definitely love them.

Children's sneakers have a textile upper, so they are breathable. Red sneakers for girls are suitable for wearing throughout the day. Branded children's shoes have a reinforced toe and heel, which also serves as protection against early wear. Girls' sneakers are comfortable and suitable for all leisure activities or school.

Product details:
