Description

Under Armor men's pants. Men's sweatpants in the popular camouflage look. They have a high proportion of cotton, which makes them extremely pleasant to wear and comfortable. Camouflage sweatpants for men have a drawstring and elastic in the waist, you can easily adjust them. Men's sweatpants have a narrow cut at the bottom and ribbed cuffs.

Sweatpants for men have a pleasantly warm inner layer. They will keep you warm even when you are outside in colder weather. Branded men's trousers have two open pockets on the sides and one pocket for fastening at the back. These modern men's sweatpants have a smaller UA logo on the right leg and UNDER ARMOUR lettering on the left leg. They are intended for all camouflage pattern lovers.
