Description

Girl's sweatshirt of the brand Color Kids. A sweatshirt with a half zip is suitable under a winter jacket for skiing or other outdoor activities in winter. The ski jacket has a contrasting half zip that makes it easy to put on and take off. The seams are also in the same contrasting color. The material of the children's sweatshirt is very pleasant to wear and has warming properties.

The branded sweatshirt for children has a relaxed cut and raglan sleeves allow for unrestricted movement. A stand with a chin guard protects the neck from the cold. The ski sweatshirt dries quickly and at the same time supports proper air circulation. The gray sweatshirt with 1/2 zip is a must-have piece of clothing for skiing, sledding and playing in the snow.
