Description

Boys' trousers of the brand Color kids. Thanks to their excellent functionality, the ski pants perfectly protect children from frost and adverse weather. The waterproof trousers have removable straps that are easily adjustable. The benefit of the ski pants for boys is the Velcro straps in the waist area. The snow hem in the lower part prevents snow from penetrating into the winter trousers. In addition, all seams are taped.

Warmers for children are windproof, breathable and waterproof. The strength of the ski pants is the water-resistant Bionic Finish Eco finish, which is organic and fluorine-free. Brand warmers are made of recycled fabric. The fabric is reinforced in exposed areas. The inner fleece lining provides warmth and keeps you warm. Reflective details keep the child visible even in poor lighting conditions. Black warmers for boys are perfect for skiing, winter sports and games in the snow.
