### Description

Voxx women's socks. Thorx trekking socks will be appreciated by all ladies who like outdoor activities. The hiking socks are anatomically shaped to give you a higher level of comfort. Stressed zones on trekking socks are padded. This will prevent bruises and blisters.

Socks for hiking boots contain silver ions that provide antibacterial protection. Hiking socks absorb moisture very well. Black socks for ladies have pink details and 200 needle knit. They are comfortable to wear and ideal for tackling hiking trails, camping or trekking. Socks belong to temperature class B: from -5°C to +20°C.
