Description

Women's jacket from the brand Authority. Women's ski jacket in a trendy purple-black design. The waterproof ski jacket is water and wind resistant and will protect you in all weather conditions. The cut of the jacket for ladies nicely shapes the female figure and the fine stitching catches the eye. The ski windbreaker has a removable hood with fur, while you can unfasten only the fur and leave the hood. A practical stand will protect your neck from the cold. Thanks to its fleece lining, you will always feel warm.

The hooded jacket closes with a zip. It is finished at the top with a chin guard and is lined with a protective wind flap. You will also appreciate the inner cuffs with thumb holes and the outer cuffs with velcro, which adapt to any hand. The bottom hem of the winter windbreaker is adjustable. Inside you will also find a snow belt with snap fasteners. The purple jacket for ladies has up to four practical external zipped pockets - two on the sides and two on the chest. You will also appreciate the inner pockets - one with a zipper and one made of mesh. Sports jacket for skiing for every modern woman.
