### Description

Men's trousers brand Everett. Long pants in a modern design are suitable for your adventures in nature. The blue pants are decorated with the inscription Everett on the side. Men's trousers have a functional straight cut that does not hinder movement and fits well on any figure. Thanks to the proportion of elastane, they are flexible and adaptable.

The hiking pants have a YKK zipper and snap fasteners. Their advantage is the practical pockets located on the sides and one in the back. Sports pants are very pleasant to the touch. Men's hiking pants ensure comfort even on a long hike. You can easily combine them with your favorite sweatshirt and hiking jacket. Trekking pants Everett are great companions for conquering tourist routes, for camping and trekking.
