Description

Women's T-shirt by Volcano. If you want to liven up your wardrobe, a T-shirt with a slightly shimmering print is the right choice. Women's t-shirt is made of soft and flexible material . It is a mixture of cotton and elastane. The stylish t-shirt provides comfort when worn. As a result, the T-shirt fits perfectly on the body and highlights its strengths.

This women's t-shirt has a straight cut with a semicircular neckline lined with aesthetic and soft edging. This makes it suitable for many styles. The women's t-shirt also has a characteristic print with a plant motif . Gently shimmering , which you will appreciate during sunny days. The black t-shirt is ideal for everyday wear, work, shopping, the city, a trip and leisure.
