Description

Men's tracksuits of the brand Under armour. Brand tracksuits are designed in a modern design with clean lines. T-shirts of different colors go well with gray sweatpants. Trendy sweatpants are decorated with the Under armor inscription on the side.

Sweatpants for men made of light material provide comfort when worn. The high proportion of cotton ensures a pleasant feeling when wearing. The combed interior ensures warmth during wear. Two side pockets and a back pocket with a fastener are used to store small items.

Product details:

- Lightweight, extremely comfortable fleece made from a cotton blend with a combed interior that will keep you warm and comfortable
- Elastic waist with external drawstring
- Two side hand pockets
- Back pocket with fastening
