### Description

Under armor men's shorts. Shorts in trendy pink color reaching above the knees. They are made of pleasant terrycloth material, which has a smoother outer layer and a warm, soft interior. Sweat shorts wick away sweat very well and dry quickly. They have an elastic waist with drawstring. You can adapt them so nicely to your figure.

On the sides you will find two open hand pockets. Short pants for men are unlined, ideal even for hot days. Sweat shorts fit comfortably on the figure, they are comfortable against the skin. They will give you a good range of motion thanks to the loose fit. There is a contrasting brand logo on the side. Great for free time!
