Description

Street surfing brand pennyboard. This pennyboard stands out not only in design, but also in its ability to glow in the dark. The luminous penny board for girls or boys is special and you can be special with it too. The special material on the board is charged by sunlight during the day and glows after dark.

The Pennyboard also has light-up wheels that are powered by a dynamo and light up while driving. Pennyboard that lights up is also an excellent idea for a gift.
