Description

Adidas shoulder bag. The shoulder bag is made of recycled material and is suitable for running or other sports activities. It has enough space for your mobile phone, energy gels or keys. The black adidas bag fits well on the body, you can carry it as a waist bag, a shoulder bag or comfortably in your hand. The branded bag has a reflective adidas logo, so you'll always be visible.

The running bag has a main compartment with a zip closure. You will find a cell phone pocket and a separate pocket with a hook for keys. The padded back contributes to comfort during wearing. Adidas pocket has an adjustable strap. The dimensions of the bag are 21 cm x 19 cm and the volume is 1 l.
