Description

Voxx brand socks. Cyclo socks in a trendy orange-black design impress with their sporty look. The branded socks are made of a soft knit that is extra breathable. Due to their construction, high-quality socks do not press anywhere and prevent the formation of bruises.

Sports socks provide maximum comfort during cycling or other sports. Cycling socks wick away sweat perfectly and dry very quickly. They are the right choice for a bicycle and belong to temperature class A: +10°C to +35°C.
