**Suggested retail price:** 34.99 € s DPH

### Description

Abus bicycle lock. The chain lock for a bicycle with a chain length of 85 cm has a thickness of 6 mm. The square chain is in a special fabric cover that protects the paint from scratches. Both the lock chain and the casing of the locking mechanism are made of specially hardened steel.

Abus locks offer a high-quality ABUS locking system with a double-sided key for more convenient locking. Two keys are included in the package.
