Description

Women's jersey of the brand Northfinder. The cycling jersey catches the eye with its original print. The cycling jersey has a variety of prints inspired by nature all over. The jersey with short sleeves in a narrow cut fits the figure. The women's jersey closes with a zipper. A great gift idea for cycling lovers.

The benefit of the cycling jersey is the quick drying function. The jersey for ladies is also breathable. The functional jersey has a slightly extended back part and an anti-slip tape in the lower part of the jersey. Two pockets on the back are a plus. The advantage of the Northfinder jersey is the reflective elements that improve visibility in poor lighting conditions. The white jersey is the perfect choice for cycling tours.
