**Description**

Children's bicycle brand Amulet. Amulet Speedy children's mountain bike is a popular model. It has a wheel diameter of 20 inches. The bike stands out for its excellent quality/price ratio. The steel frame of the children's bicycle with a new geometry will provide excellent controllability and agility. The Amulet bicycle has an S-RIDE derailleur. It makes riding a bike easier. Two independent brakes allow safe stopping when needed. The weight of the bicycle is 11.9 kg.

The red mountain bike for children has a modern design. A bicycle for children will certainly please young cyclists who want to enjoy cycling to the fullest.
