### Description

New Era cap. The trucker-style cap features an embroidered New York Yankees logo on the front. Mesh panels on the sides and back provide maximum air circulation, making the branded cap ideal for hot summer days. Another mini embroidered logo is located on the side.

The blue cap has a curved peak that protects against the sun's rays and provides you with comfort throughout the day. It is easily adjustable using a strap on the back. The NY cap is a suitable choice for free time, vacation or even a trip to work. A stylish cap simply should not be missing from your summer wardrobe.
