### Description

Merrell women's shoes. Women's hiking boots in universal black color are complemented by turquoise details. Trek shoes have a waterproof Gore-Tex membrane, thanks to which you will be dry even in adverse weather. The durable upper ensures sufficient breathability. Women's trekking shoes have a reinforced toe and heel, so the foot will be stable even on uneven terrain. With the help of tying on the laces, you can adjust your footwear for the forest according to your needs.

Merrell shoes are the ideal choice for tackling hiking trails. They are comfortable thanks to the Kinetic Fit™ BASE removable molded insole ensuring flexible support. The EVA foam midsole perfectly absorbs shocks. Outdoor shoes are grippy thanks to the Air Cushion sole with protrusions. It provides cushioning and does not slip even on wet surfaces thanks to M Select™ GRIP.
