Description

Skechers women's shoes. Stylish women's flip-flops are very comfortable thanks to the padded insole and the material from which they are made. The flip-flops are decorated with small strass stones that change color in the light. The inner side of the band has a textile lining. Black flip flops are a suitable choice for vacation, to the water or just to the city.

Branded flip flops for women will definitely attract attention. Thanks to the sole with soft foam, they are extra comfortable and suitable for all-day wear. You will definitely appreciate their light construction and these flip-flops for women will become your favorite companion. Skechers flip flops for ladies are perfect for summer days!
