### Description

Asics women's shoes. Running sneakers appeal with a stylish sports design. In these running shoes, you will definitely impress at every training session. Running shoes for ladies are a support during sports. The running shoes have classic lacing, thanks to which the sneakers adapt very well to the foot. The classic cut of sneakers is suitable for every type of foot.

The upper part of the running shoes is made of a mesh material that allows for excellent air ventilation. The Blast suspension provides excellent damping and shock absorption. The rubber sole in a contrasting pink color is durable and non-slip. Brand sneakers are must-have footwear for sportswomen who like to run.
