Description

Women's sweatshirt by the brand Authority. This sweatshirt in classic black stands out due to the double combination of materials from which it is made. The black sweatshirt closes with a zipper. It is finished with a collar with a built-in hood. The hooded sweatshirt will protect you from the cold and wind wherever you are. An interesting and functional element is the front part, which is windproof.

The hybrid sweatshirt has two zip pockets on the sides. The bonus of the women's sports sweatshirt is the quick-drying material and the thumb holes at the end of the sleeves. Thanks to them, the sweatshirt stays in place and the sleeves do not pull up. You can pull the bottom hem down using a drawstring with a stopper. The women's zip-up sweatshirt has an extended back, so your back will also be protected from the cold. The women's sweatshirt is made of pleasant material and you will definitely like it right away.
