Description

Women's sweatshirt by the brand Authority. This sweatshirt stands out with its distinctive color and dual combination of materials from which it is made. The purple sweatshirt closes with a zipper, which is finished with a collar with a built-in hood. A sweatshirt with a hood will protect you from the cold and wind. An interesting and functional element is the front part, which is windproof.

The women's hybrid sweatshirt has two zipped pockets on the sides. The advantage of the sports sweatshirt for ladies is the quick-drying material and also the thumb holes at the end of the sleeves, thanks to which it stays in place and the sleeves do not pull out. You can pull the bottom hem down using a drawstring with a stopper. The women's zip-up sweatshirt has an extended back, so your back will always be protected. The women's sweatshirt is made of pleasant material and you will definitely like it right away.
