Description

Men's jacket from the brand Authority. The winter windbreaker catches the eye with its trendy design. Men's winter jacket with fashionable stitching is a nice to have piece of clothing for all gentlemen. The winter jacket for men has a built-in hood, which you will appreciate in dry weather. If you want to show that you have style, this men's windbreaker is the right choice for you.

The stylish men's winter jacket surprises with very good water resistance without restricting air ventilation. The inside of the trendy windbreaker is made up of a soft and pleasant lining that provides comfort when worn. Several pockets can hide a mobile phone, wallet and keys. The blue jacket is perfect for casual wear, for work, in the city and for leisure.
