**Description**

Men's jacket from the brand Authority. The ski windbreaker appeals not only with its modern appearance, but also with its excellent functionality. The ski jacket has very good water resistance and allows excellent air circulation. The benefit of the ski windbreaker is the taped seams. Thanks to the classic cut, it is ideal for every body type. A windbreaker for men guarantees a high level of mobility. The pleasant lining ensures comfort when wearing.

The ski jacket also has a hood, which comes in handy in windy and dry weather. When skiing, you will definitely appreciate the internal elastic cuffs with thumb holes. The snow belt prevents snow from penetrating inside the men's windbreaker. Two side pockets store everything you need. There is also a ski pass pocket on the sleeve. The jacket for men is the right choice for skiing, winter sports and winter outdoor activities.
