Description

Under Armor gloves. Branded gloves have a sophisticated construction. Thanks to the UA Storm technology, the functional gloves have a waterproof finish. This will ensure the waterproofness of the gloves.

The advantage of gloves for ladies and gentlemen is the soft knit fabric, which is soft and pleasant to the touch. Under Armor gloves are a guarantee of wearing comfort. The inside of the winter gloves is made of warm material. A plus is the Tech Touch technology on the thumbs and index fingers so you can use touch screen devices. Gray gloves are reliable companions for casual wear and leisure time.
