Description

Men's sweatpants brand 4F. Sweatpants have a classic black color that is easy to combine. They are made from a combination of materials with a high proportion of cotton. Organic cotton was used for their production. Black sweatpants are very comfortable and pleasant to the touch. The bonus of the men's sweatpants is an elastic waistband with an internal drawstring that adapts to any figure.

The branded sweatpants have a jogger cut. They are narrowed at the bottom and finished with cuffs. Sweatpants 4F have two open pockets for small items on the sides. Cotton sweatpants are suitable for everyday wear. Create comfort at home thanks to these comfortable sweatpants.
