### Description

Boys' sweatshirt brand 4F. The sweatshirt is made of a pleasant fleece material that will keep you warm in winter. Thanks to the 4F Warm technology, it will provide excellent thermal comfort and insulation from the cold even on cold days. The blue sweatshirt has a contrasting zip and the 4F logo on the chest. The zip closure is very practical and popular, you can regulate your body temperature as needed. The zipper ends with a chin guard, so there is no irritation. The zip-up sweatshirt has a stand that protects the child's neck from cold and wind.

The sweatshirt for boys has open pockets on the sides for small things or to hide your hands. Children's ski sweatshirt is suitable for sports activities during the winter. Thanks to the popular blue color, you can easily combine it with other children's clothes. Sports sweatshirt is an ideal item for your children.
