Description

Vans men's shoes. Stylish sneakers have a low cut and an interesting design. The black sneakers are decorated with a silver flame print on the side, which catches the eye and attracts attention. Thanks to the textile upper, Vans men's sneakers are breathable and adapt to the foot. Vans shoes fit the foot well and are comfortable thanks to the padded collar and comfortable Ortholite insole.

Vans men's shoes have laces with metal eyelets. They are completed with a Vans logo on the tongue and a logo patch on the side. The white rubber sole with a typical waffle pattern ensures that the branded sneakers adhere well even on a wet surface.
