Description

Skechers women's shoes. Winter boots with an elegant appearance will impress with artificial fur on the upper part and trendy colorful design in red. Ankle boots for ladies feature a soft suede upper that is sufficiently breathable and customizable. Skechers shoes have a waterproof membrane and a one-piece upper design. The padded upper hem and tongue of the shoe contribute to comfort. Women's waterproof winter boots have a Relaxed Fit ® for comfortable all-day wear.

Shoes with memory foam and Air-Cooled Memory Foam® midsole pleasantly regulate the temperature of the foot and thus ensure comfort during wear. Branded winter footwear thanks to the flexible midsole shock absorbing is extra comfortable. The rubber sole with high grip will safely carry you over wet, uneven or slippery surfaces. The red shoes for ladies have classic lacing with metal eyelets, on the upper part the laces are attached via metal hooks. Shoes with fur have a brand logo on the side of the heel.
