Description

Under Armor women's T-shirt. The short-sleeved T-shirt is made of UA Tech technical material, which makes it light and very comfortable to wear. The training shirt has a mottled black color and is decorated with the UA logo on the chest. The black t-shirt shows off a woman's figure nicely thanks to the V-neckline. It has quick-drying properties, which you will definitely appreciate during exercise or training.

Under Armor t-shirt wicks away sweat well. The slightly shaped back will provide better back coverage. The women's T-shirt uses Anti-odor technology, so it prevents odors and the growth of bacteria. You can playfully combine a black women's t-shirt with sports leggings or shorts.
