Description

Under Armor women's jacket. The sports jacket catches the eye with its trendy appearance. The windbreaker in white and black design is modern and yet timeless. The strength of the jacket for training is the UA Storm technology, which ensures waterproofness. The sports jacket is made of light fabric.

A sports windbreaker is a guarantee of comfort during training. The plus of the jacket for ladies is the drawstring at the bottom hem, with which you can adjust the jacket as needed. A bonus is the raglan sleeves, which, together with the classic cut, guarantee a wide range of movement. The branded jacket is great for training, various sports activities and active leisure time.
