### Description

Under Armor women's bra. The sports bra in a trendy purple color and white details will provide you with strategic support during moderately demanding activities such as weight training, boxing training or cycling. Its material dries quickly and wicks away sweat perfectly. The training bra has adjustable straps that are crossed at the back. You can customize the practical hook fastening at the back.

The women's sports bra has molded PU padding that will provide the necessary support and comfort. Panels made of fine mesh material ensure better breathability. The Under Armor bra has a waistband made of pleasant material that wicks away sweat well. The pleasant HeatGear fabric adheres perfectly to your body.
