Description

Under armor men's T-shirt. A sports T-shirt with short sleeves will be a reliable partner for all training sessions. The loose cut allows for a wide range of movement. Material with Moisture transport System technology contributes to excellent sweat drainage and quick drying.

Thanks to the Anti-odor technology, the T-shirt for sports will not smell and you will stay fresh. The T-shirt for exercise is made of a pleasant material that ensures comfort during sports. The red Under Armor T-shirt is a great companion for training, various sports, work-out exercises and active free time.
