### Description

Men's sweatshirt brand 4F. The sweatshirt has a half zip and is worn over the head. The half zip is finished with a stand that protects the neck from the wind and thanks to the zip you can regulate the heat. The men's sweatshirt has a built-in hood with drawstrings, which will also provide comfort in bad weather. The comfortable loose fit fits every figure well.

The hooded sweatshirt is made of pleasant material that you will love to wear. The high proportion of cotton contributes to comfort even during all-day wear. The sweatshirt has a universal gray color and is decorated with a mini logo of the brand on the chest. The gray sweatshirt for men has one large kangaroo pocket on the front. The sleeves and bottom hem are finished with elastic cuffs. The branded sweatshirt will please lovers of clean lines who are looking for a daily companion for their free time. A sports sweatshirt is also a suitable gift.
