Suggested retail price: 32.99 € s DPH

Description

Women's bra brand 4F. The black bra is made of pleasant elastic material and is suitable for less intense exercises. Provides low support. The sports bra uses 4F Dry technology, thanks to which it wicks away moisture well and dries quickly.

The 4F training bra has wider straps. One part is made of mesh and has a so-called boxer neckline. The bra does not hinder movement and is sufficiently breathable. It also includes soft removable inserts that you may or may not use. The elastic bottom hem under the bust provides the right fit to the body. Women's sports bra will please all active women.
