### Description

Women's shoes from the brand Authority. Winter boots have a stylish look. They go well with many outfits. Winter boots have very nice stitching on the sides. The fur lining in the upper part will give winter footwear flair and elegance.

Both the tip and the heel are reinforced with additional material for a higher degree of resistance. Thanks to the classic lacing, the shoes for ladies perfectly adapt to the foot and fix the feet. The padded interior guarantees comfort and warms you on cold days. The sole is non-slip. Trendy shoes are the perfect choice for everyday wear, for shopping, in the city and for leisure.
