Description

Anta women's sweatpants. Stylish sweatpants will impress with their minimalist design. Black sweatpants go well with women's t-shirts and women's sweatshirts in colorful colors. Sweatpants belong to the basic pieces of every wardrobe. Tracksuit bottoms for ladies in a classic cut are great for every body type.

Brand tracksuits are made of a combination of materials that ensure very good air ventilation, comfort and flexibility. A plus is the A-chill touch technology, which ensures coolness and thus better thermoregulation when wearing. Trendy sweatpants allow a high level of mobility. The elastic waist perfectly adapts to the figure. A perfect choice for home wear and leisure time.
