Description

Anta women's sweatpants. Stylish sweatpants appeal to trends with their design. Black sweatpants go well with women's t-shirts and sweatshirts of various colors. Sweatpants are a basic piece of every wardrobe. Sweatpants for ladies have a classic cut that is ideal for every body type.

Brand tracksuits are made of a combination of materials that ensure excellent air circulation, comfort and flexibility. The advantage is the A-chill touch technology, which ensures coolness and thus better thermoregulation when wearing. Trendy sweatpants provide a high level of movement. The elastic waist perfectly adapts to the figure. A great choice for home wear and free time.
