Description

Moon Boot girls' shoes. If you are looking for stylish snow boots for your little girl, then these designer snow boots are just right. Whether your little girl's expedition takes her to the mountains or to the city, ProTECHt snowshoes are made for adventure. Combining functional elements with a touch of cosmic style, the robust nylon design features a signature quick lacing system. The rubber sole ensures excellent grip. The fully waterproof membrane makes the girls' boots a reliable companion in wet and snowy conditions.

The upper part of the girls' boots can be adjusted and adjusted with the help of a lace. This will ensure that snow does not get inside the boot. A unique element of winter boots is the lacing, which starts at the toe and ends in the middle of the boots.

Black snow boots with a shiny effect are complemented by the Moon Boot inscription. Branded snow boots for girls are nice-to-have boots that little girls can't miss.

The manufacturer does not recommend the use of impregnations, which may damage the surface material.
