Description

Under Armor women's cap. A stylish cap for ladies in a pleasant purple color is complemented by an embroidered Project Rock logo. The hat is an excellent companion for free time. Thanks to the 6-panel construction, it holds its shape nicely. The ventilation holes will provide sufficient air supply.

The branded women's cap has a curved peak that protects you from sunlight. The Under Armor cap has an integrated sweatband with Threadborne SIRO technology. Thanks to this, it will provide you with maximum comfort even during all-day wear. The cap thus provides greater flexibility and better regeneration, the material is extremely soft and breathable. The purple cap is also suitable for ladies with long hair. On the back side, there is a large enough opening for a braid and an elastic band, thanks to which the cap adapts to the circumference of the head.
