Description

Under Armor women's bra. The sports bra impresses with its stylish appearance. The training bra belongs to the Project Rock collection. The bra for ladies has shaped padding that ensures comfort during exercise. The wide elastic band holds it in place well. Narrow elastic straps are decorated with the inscription Project Rock and the logo of the collection.

The strength of the training bra is the HeatGear material, which is light and functional. The plus is the back panels made of mesh, which guarantee a high degree of breathability. The training bra perfectly wicks away sweat and dries quickly. The black Under Armor bra is the perfect choice for various group exercises, sports activities and active leisure time.
