Description

Under Armor men's T-shirt. The short-sleeved T-shirt impresses with its original design. A hood with a drawstring is a bonus. The front of the sports t-shirt draws attention with a graphic that shows the logo of the Project Rock collection. The T-shirt for training is made of French terry, which has a smooth outer layer. The inside of the t-shirt for men is soft and provides warmth when worn.

A T-shirt for sports is a guarantee of a wide range of movement. The advantage of the T-shirt for exercise is the excellent sweat drainage and quick drying function. The Under Armor T-shirt is a support for sports. A T-shirt with a hood is an ideal choice for training, various sports and exercises.
