Description

Fundango women's jacket. The women's windbreaker will appeal to ladies who prefer a modern, minimalist design. A ski jacket in a trendy style will delight you with its high water resistance and breathability. The Dripex membrane contributes to the overall durability of the jacket.

The ski windbreaker has a hood that comes in handy in cold and windy weather. A jacket for skiing is a guarantee of a wide range of movement. A pleasant lining ensures comfort when wearing. There are also pockets for ski goggles or a ski pass. The branded jacket is a top choice for skiing, winter sports and outdoor activities.
