Description

Eisbar winter hat. The Star Pompon model is very popular thanks to its colorful design. The popular knitted pattern goes through all the colors. There is a bobblehead on top. The Eisbar cap is made of a pleasant material with a proportion of merino wool, which provides excellent thermal comfort and insulation against winter and cold.

The beanie hat has two brand logos sewn on the front. Among them is the official Austria Ski Team logo. The colorful cap for winter has quick-drying properties, is sufficiently breathable and excellent moisture wicking. Inside the knitted hat there is a warm recycled fleece. A colorful winter hat will please everyone who loves colors even in winter.
